Celebrate eco-conscious living at California Residences.

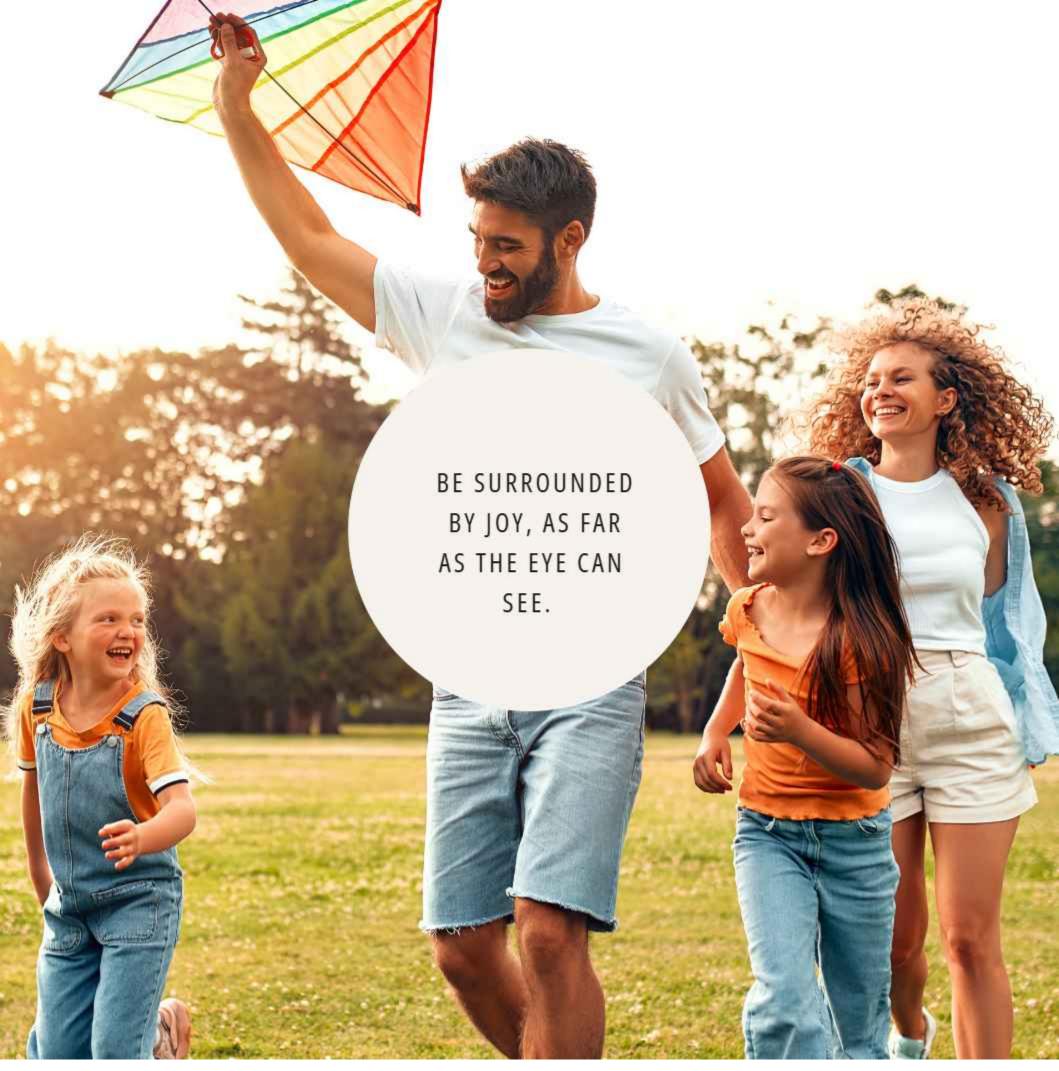

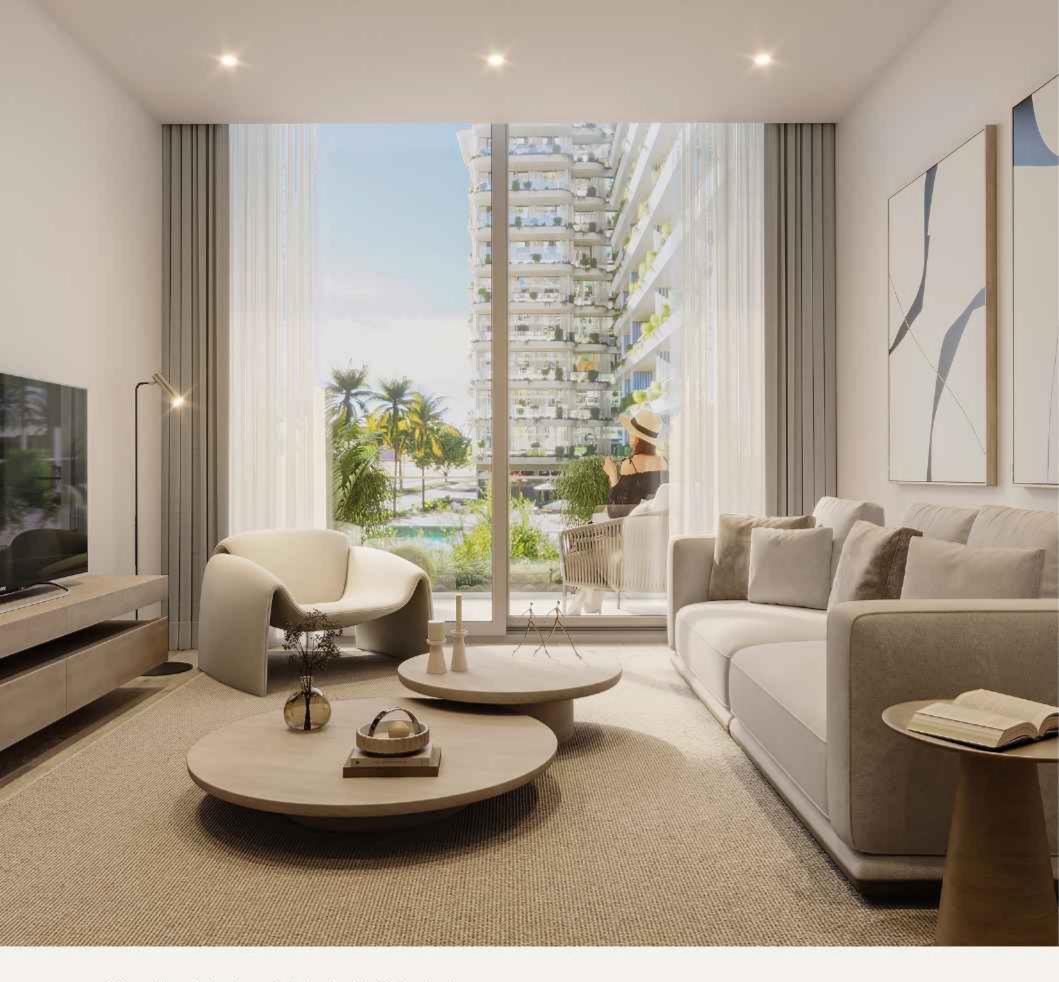

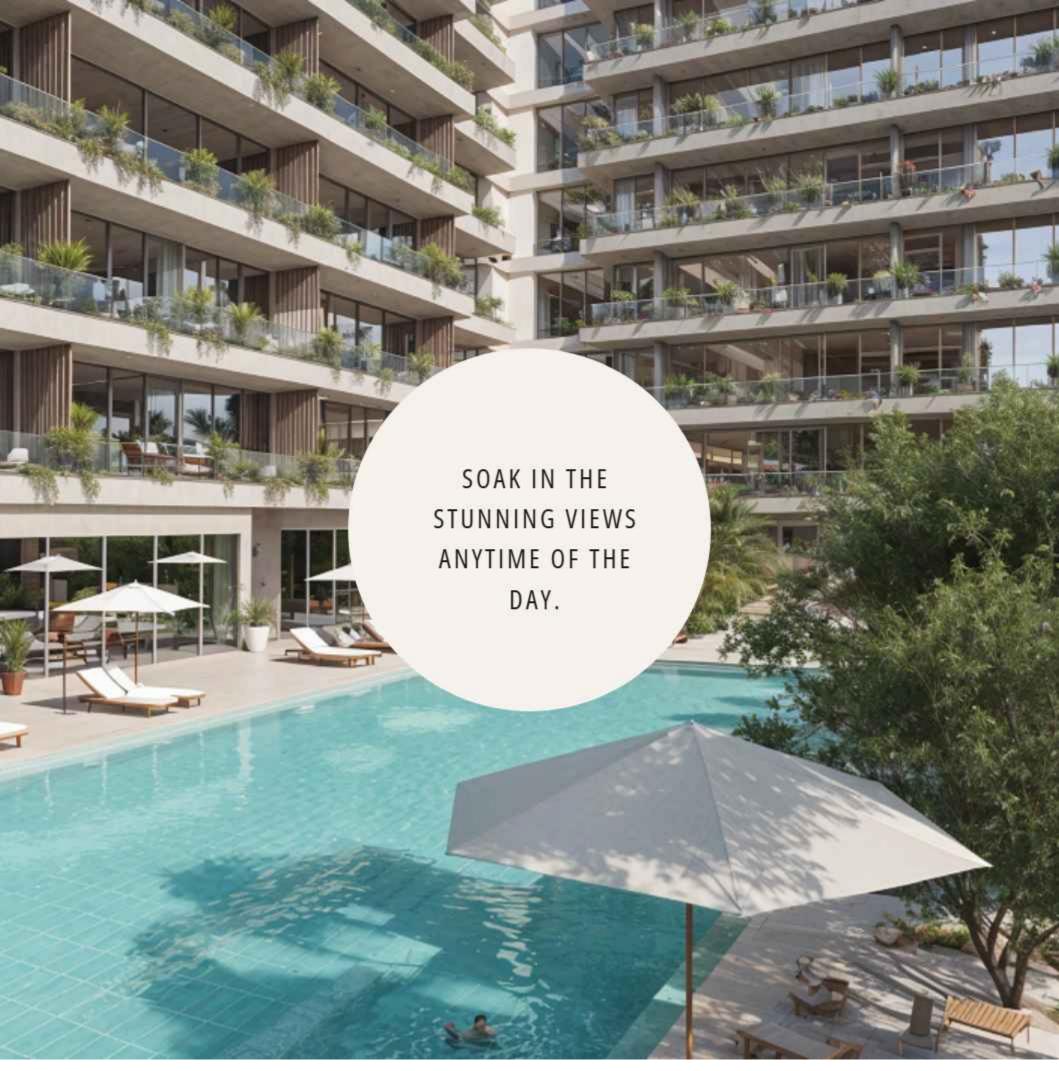

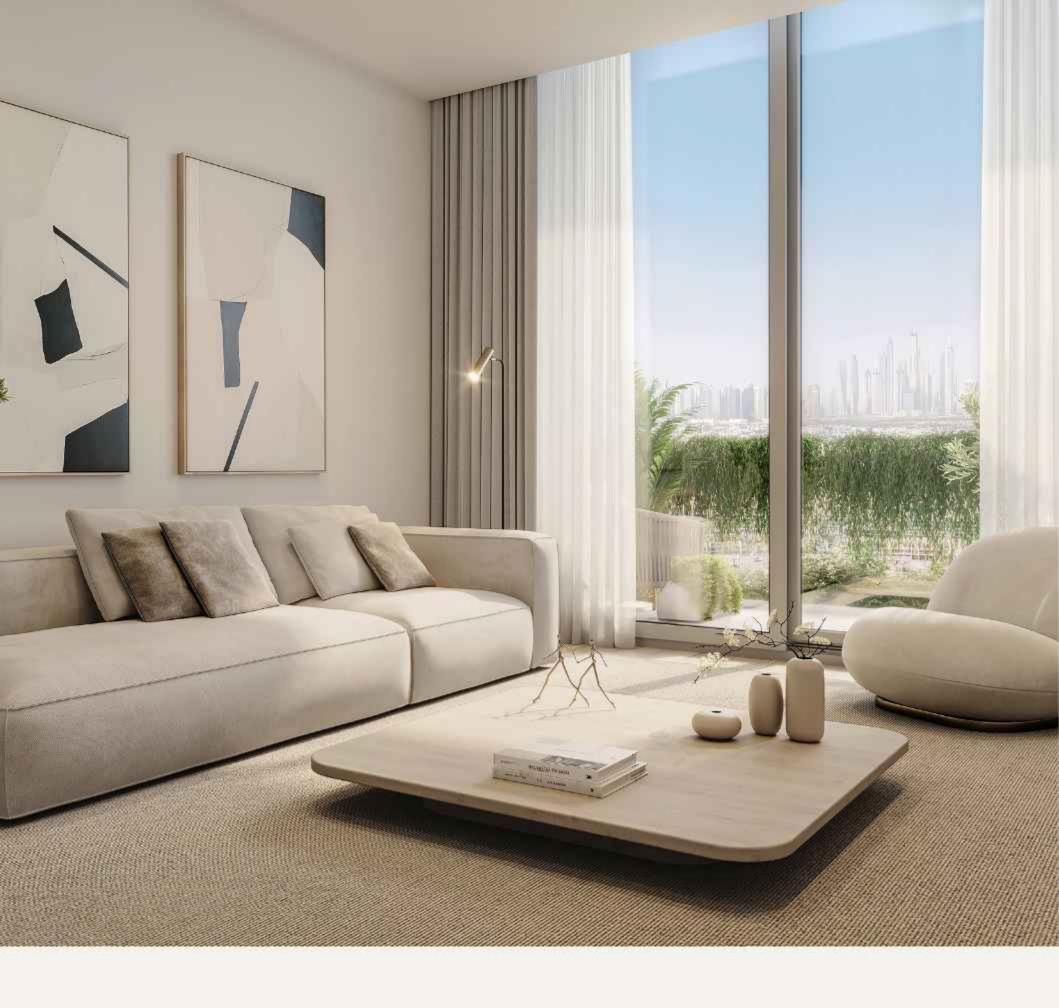

Step into the California Residences and experience a harmonious blend of warmth and contemporary elegance. The interiors exude a sense of refined luxury, characterized by cleanliness and a minimalist aesthetic. Expansive windows flood the living spaces with natural light, creating an airy ambiance that complements the modern design.

THOUGHTFULLY DESIGNED FOR LIVING MORE PER SQUARE FOOT.

California Residences boasts meticulously designed floor plans that maximize both space and functionality. Each layout is thoughtfully crafted to enhance the living experience, featuring open-concept designs that seamlessly blend living, dining, and kitchen areas.

The well-proportioned bedrooms offer privacy and comfort, while clever storage solutions ensure clutter-free living. Large windows flood the interiors with natural light, creating an airy ambiance throughout.

I Infracorp

Infracorp is a Bahrain-based investment and development firm specializing in sustainable infrastructure solutions. With over \$3 billion in assets under management, it focuses on creating integrated real estate, energy, and infrastructural projects that promote economic growth within environmental boundaries.

Operating across Bahrain, the UAE, Morocco, USA, Finland and India - Infracorp develops mixed-use communities, logistics hubs, retail and commercial spaces. They aim at creating infrastructure that is designed to enhance urban living and connectivity. Its commitment to Environmental, Social, and Governance (ESG) principles ensures that each project delivers long-term value for both investors and the communities it serves.

As a wholly owned subsidiary of GFH Financial Group, Infracorp operates with the strategic support and financial strength of one of the region's most respected investment institutions. This affiliation not only enhances Infracorp's credibility in the market but also enables it to leverage GFH's extensive network, investment expertise, and regional presence to deliver large-scale, high-impact real estate and infrastructure projects. The synergy between the two entities ensures long-term stability and alignment with sustainable growth objectives.
